Jerry McGee was born and raised in southwest Washington. He worked on five of the major dams in the Pacific Northwest including the tunnels on Yale and Swift Creek Dams on the Lewis River. He spent over two decades as an amateur prospector in the Mt. St. Helens Mining District. He mistakenly thought Mt. St. Helens was his; at least until May 18, 1980. Jerry received his doctoral degree from the University of Northern Colorado. He retired from Oregon State executive management service in 1991.

City of Salem, Salem Public Library And WVGS Agreement

Members at our March 14, 2015 meeting voted to accept the" LIBRARY USE AGREEMENT BETWEEN THE CITY OF SALEM AND THE WILLAMETTE VALLEY GENEALOGICAL SOCIETY, INC." This is needed for WVGS and Salem Public Library so we can have our collection housed there. This means we can proceed with preparing our collection for the move to Salem Public Library.

The agreement has been posted on the Beaver Briefs page so that members only can review it. You will need to use your password. Thanks to our webmaster, Dennis Hill, you can also see a map of where the WVGS area will be at Salem Public Library.

We can now go forward with preparing our collection for Salem Public Library. Our target date to be moved by is May 1st, 2015. Our books cannot be checked out of Salem Public Library but will be in the online catalog. We currently have members inserting magnetic security strips into the books. Member Deanne Smith is working on putting the books in Dewey Decimal order. As soon as these projects are completed, we'll be down to the last step—moving!

We will have Graebel Moving do the actual moving. In order to save money, members will have to put the books in the exact order on carts. When the carts are delivered to Salem Public Library, members will take them off the carts and put them in order on the shelves.

We still have a lot to do! Salem Public Library has some remodeling to do also.

Volunteers

We need volunteers at Salem Public Library!!

Our just signed agreement says we will provide 32 hours of volunteering per week between the hours of 10 am and 9 pm. The Library hours are:

Mon. Closed, **Tues. - Thurs.** 10:00 - 9:00, **Fri. - Sat.** 10:00 - 6:00, **Sun.** 1:00 - 5:00 (Open Sunday during the school year only).

We hope to have volunteers available all days that the library is open. Sunday is a busy day and parking is free! We hope to have at least one evening when patrons who work during the day can come in for help.

Volunteers will have to go through the Library's volunteer training as well as WVGS training for genealogy. Volunteers will receive a parking pass after 20 hours of volunteering. And we still need a Volunteer Coordinator/Trainer!!

Contact Liz Tice at willvgs@yahoo.com if you are interested in volunteering. We need you!

Periodicals

Even though we have no place to make genealogy newsletters and bulletins available, we still are receiving some of previous exchanges. They will be available at the next meeting and you can borrow any that you wish to look at.

In addition, the WVGS Board has decided to continue with some of our subscriptions. We decided not to continue with the ones that the Oregon State Library had asked us to pay for however.

We have renewed and received issues of The Ohio Genealogical Society's *Ohio Genealogy News*, *The Mayflower Quarterly*, and *Mennonite Family History* (Pennsylvania).

Candalaria Office

Candalaria Office

Members attending the March meeting visited our new office space. We are paying \$315 a month for rent, and also had to purchase liability insurance. Everyone was amazed at the organized space our members now have.

We have been able to do it with volunteer help and donated shelving. It started with Barb Hunter donating boxes and Jim Johnson, Kerry Wymatalek, John Cochran and Jerry Rodgers donating shelving. We have only had to purchase a lateral filing cabinet and rolling book cart (\$105 from Oregon State Surplus). Trina Brown donated chairs.

We have had a team who have transported boxes of books and organized the books and periodicals. It is not only for storage of our books and records, but a place to do books repair.

WVGS has always maintained our own library of books and this will also be a space where members can go to look through what we have. We hope to have it open at least one day a month.

None of this could have been accomplished without the hard work of a group of our members.

WVGS Publications

As we have been moving from the State Library to storage at Candalaria, we have gone through our publications. Many of these were done by members years ago. We still sell these for the cost of printing and postage.

Barb Hunter has worked hard on organizing and labeling the boxes so that it is easy to find each one.

A listing is also posted on our website, www.wvgsor.org, along with an order form. Here is what we have.

Book Repair

We have many books that will need repair. Some may need professional help, some we can repair ourselves. **We need a chairperson for this committee and we are now signing members up who would help out with this.** Work will be done in our Office at Candalaria.

Thanks to Craig Smith we have a donated laptop and printer at Candalaria. We will need to use this to up date our periodical list for both Salem Public Library and our website. We are also storing family histories and that list will need to be updated.

Jim Willhite, our society librarian, will be dismayed to find the mess we have made of our books. Some have been added to SPL, some need repair, some sold, and some are now in our office needing to be sorted out. I'm sure he'll appreciate help!

Oregon Burial Guide

As most Oregon societies know, the Oregon Burial Site Guide is available for cost of shipping -\$20 prepaid before 1 July 2015. Make checks out to: Stoney Way LLC, PO Box 5414, Aloha, OR 97006-0414. Contact Janice Healy at jmhealy1@comcast.net
