

WVGS June Meeting

Saturday, June 13, 2026

Salem Public Library,

Collaboration Room

(downstairs)

Business meeting: 10:30 – 11:45

Program: noon – 1:00

“SCAN IT!”

Presenter: WVGS Volunteers

Do you have photographs, documents, or perhaps a family bible listing family records?

Bring in old letters, diaries, or scrapbooks. We will digitize the items in black and white or in color using scanners of various sizes that do not bend or roll the items.

Please bring a USB thumb drive to save your items.

Meetings and programs are open to members and the public.

WVGS.org

Greetings WVGS Members,

Our next meeting is Saturday, June 13, 2026, in the Collaboration Room at the Salem Public Library. The business meeting is 10:30 am to about 11:45 am and the program is from 12 noon to 1:00 pm.

The program is our annual Scanning Event. Do you have old photographs, letters, newspaper clippings, a diary, a scrapbook or perhaps pages from an old family Bible that you would like to save in digital form? If so, our June meeting program is especially for you.

You don't need to understand the technology or even the vocabulary. Just show up with the items you want to copy and with a thumb drive, also called a flash drive.

The CZUR scanners accommodate items up to 13x19 inches, books or loose sheets, color or black and white. Multi-page materials can be saved as a single PDF file. The flatbed handles black and white or color – positive or negative, various standard sizes. Don't forget to bring your USB thumb drives for saving your material!

If you don't have items to scan, come anyway to chat and watch the busyness as other members and visitors copy their documents for preservation into the digital future.

These meetings and programs are always open to members and the public. We hope to see everyone there.

Tony Hoff
